

PROFESSIONAL SUMMARY

Aspiring Data Analyst with proficiency in Excel, MySQL, Python, and Power BI. Eager to apply theoretical knowledge to real-world scenarios and contribute analytical skills to a dynamic team. Seeking an entry-level position to actively engage in data-driven projects and contribute to success.

EDUCATION

- Bachelor of Technology (B.Tech) in Electrical and Electronics Engineering
 - Sagi Rama Krishna Raju College
 - 52 percentile
- Intermediate
 - Bharatiya Vidya Bhavans CBSE Board
 - 60 percentile
- 10th Grade
 - Swarnandhra International School
 - CBSE Board
 - 88 percentile

SKILLS

- Data Analysis
- Data Visualisation
- My SQL
- Microsoft Power BI
- Advance Excel
- Python
- Statistics
- Machine Learning

LANGUAGES

- English (Fluent)
- Telugu (Fluent)
- Hindi (Intermediate)

SOFT SKILLS

- Communication
- Teamwork
- Problem-Solving
- Adaptability
- Critical Thinking

PROJECTS

E-commerce Data Management System

Excelr | 2022-2023

- Developed and administered a MySQL-based SQL database for efficient organization and enhancement of data.
- Formatted and cleaned data in Excel and executed queries for comprehensive reporting.
- Utilized Power BI to create compelling dashboards showcasing e-commerce data trends.

Interactive Sales Analysis Dashboard

Excelr | 2023-2024

- Designed an interactive sales analysis dashboard using Power BI Desktop.
- Integrated data seamlessly from Excel and SQL databases to highlight sales trends and regional performance.
- Emphasized product profitability through visualizations.

Solar Power System Enhancement

SRKR | 2021-2022

- Spearheaded the implementation of cutting-edge techniques and converters for solar power systems.
- Achieved a 20% boost in maximum power output and enhanced overall energy efficiency by 15%.

Recommendations System

(Working)

- Designing a personalized recommendation system using collaborative filtering and machine learning algorithms. Integrating data from Excel, SQL databases, and Python for enhanced user engagement.

CERTIFICATIONS

- Excelr Certified Data Analyst (2022-2023)
- Udemy Certified in HTML & CSS (2021-2022)
- SkillzDesire Certified in Artificial Intelligence (AI) (2021-2022)
